

SERIE GROOVE / GROOVE SERIES

SEDIA / CHAIR

Sedia con seduta e schienale della stessa tipologia del tavolo Groove ottenuta con 2 sezioni di tronco di rovere (massello 3 cm) unite con resina speciale (colorata o trasparente) colata e lucidata a mano, parte di legno a vista trattata ad olio, gambe in ferro grezzo saldate e lucidate a mano con finitura di vernice trasparente opaca.

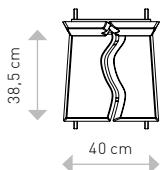

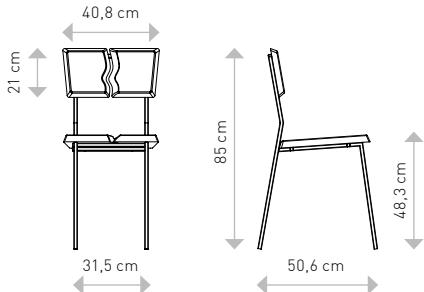

La sagoma naturale del legno e la lavorazione totalmente artigianale (100% made in Italy) conferiscono unicità ad ogni singolo pezzo.

Chair with seat and seatback of the same typology of the table Groove, got using 2 sections of natural oak (3 cm thick), adorned with special resin (transparent or coloured) cast between the boards and hand polished; part of wood at sight impregnated with oil, the legs are made using a raw iron with transparent opaque lacquering.

The natural shape of the wood and the totally handmade (100% made in Italy) production give the uniqueness to each single piece.
